Dear Prospective Exhibitor,

Please join us for the Seventh Annual Oklahoma Environmental Education (OKAEE) Expo at the Oklahoma City Metro-Tech Conference Center on February 7, 2002. You are invited to set-up a display table to share your organization's educational materials.

The theme for this year's conference is "Green, What Does It Mean? Greening Your Backyard, Business, Campus and Curriculum." Additionally, this year's keynote speaker will be John C. Ryan. Ryan is co-author of the book, STUFF, The Secret Lives of Everyday Things.

Enclosed is an information sheet and an application for exhibit space. Please read each of these carefully. If there are any additional questions, do not hesitate to contact me at 405-702-4113 or melissa.sims@deg.state.ok.us. Exhibit reservations will be accepted through January 16, 2002. Space is limited.

We consider your participation to be a very important part of our conference success. We look forward to seeing you in February.

Sincerely,

Melissa J. Sims
