

THE AMAZING E E R A C E

STEM EDITION

ROUTE INFO

As a Racing Team, you are tasked with developing an Environmental Education Race Plan for your students to follow on their way towards a STEM destination. You must include at least four (4) DETOURS in your Race Plan. A DETOUR can be any exhibit within the OKC Zoo. Use the enclosed map to determine your DETOURS and then begin your race. Complete one of the enclosed DETOUR sheets for each DETOUR in your Race Plan.

To successfully finish the RACE, your team must turn in four (4) completed DETOUR cards at the FINISH LINE (auditorium in Education building).
